Supports more than 2500 capture devices, TV tuners and IP Cameras | Use the zoom feature with any webcam | Tilt/Pan/Zoom for Logitech Sphere and IP PTZ Cameras, Presets supported | may be configured to run as Service

Seiz System Engineering | http://download.abelcam.com/AbelCamSetup.exe | 12.30MB | May 3, 2011

VisitorsCafe 1.4

VisitorsCafe is FREE and enables visitors of a given site to talk to each other over video chat, being safely and relevantly matched. The technology can be integrated under the shape of a "talk button" or as a full widget, and matches people based on their demographics (e.g., age, gender, experiences, miscellaneous) in a series of one-on-one conversations. It is patent pending in the US and in EU.
